# MIGHTY MINI<sup>®</sup> SST

## The ideal solution to remove unwanted oil in coolants & parts washers!

**Effective.** Removes one (1" wide belt) or two (2" wide belt) gallons or more of medium weight oil per hour. **Compact.** Use it almost anywhere...even through a 2" dia. bunghole in a drum. **Portable.** Use it here today, there tomorrow. Weighs only 7 pounds, installs in seconds and runs on 110 v. power. 220v motor available. **Complete.** Put it to work right out of the box, or add the optional, easy-to-install decanter and brackets for an even more efficient system.

**Durable.** Includes long life fan-cooled motor, sturdy 304 stainless steel construction with integrated 24 hour timer. 30-day Money Back Guarantee. Every Abanaki skimmer is backed as well as it's built. We do it right or you don't pay!

# Abanaki Mighty Mini® SST Oil Skimmers & Accessories

### Models Available:

(Depth is measured from the bottom of the mounting base to the bottom of the tail pulley)

Belt	1" (25.4mm)	2" (50.8mm)
Capacity	1gph (3.8lph)	2gph (5.7lph)
Model	MM 100ST-06	MM 200ST-06
		6" (152mm)
Model	MM 100ST-12	MM 200ST-12
		12" (152mm)
Model	MM 100ST-18	MM 200ST-18
		18" (152mm)
Model	MM 100ST-24	MM 200ST-24
		24" (152mm)

Standard Mighty Mini® skimmers require 110v., 60-cycle electrical power. Models for 220v., 50-cycle are available.

## Easy-Mount Skimmer Bracket

For vertical wall tanks

For flanged tanks

Mounting bracket clamps easily to vertical tank wall or horizontal flanged surface to provide fast, secure installation of skimmer.

Dual Position mounting bracket  
Model OMMST 100

## Coolant Saving Decanter

Decanters save money and improve efficiency by almost completely separating any coolant from the skimmed tramp oils. Oil-free coolant discharged from the decanter is returned to the original tank or directed to a separate container. Virtually no costly coolant gets thrown out with the tramp oil, and coolant-free oil is discharged for disposal.

Decanter Assembly (Includes Adapter Bracket)  
Model DM 100

## Decanter Hose Kit

Two 5-foot lengths of discharge hose, one for oil and one for water.
